Email 1 — Request for Assignment Extension

Dear Professor,

I hope you are doing well.

I am writing to respectfully request an extension for the submission of the digital literacy assessment, which is currently due on 31st March,2026. Unfortunately, due to unexpected health issues, I have been unable to complete the assignment to the best of my ability within the given timeframe.

I sincerely value the quality of my work and would greatly appreciate an extension of [number of days] days, allowing me to submit a well-prepared assignment. I assure you that I am committed to completing it as soon as possible.

Thank you for your understanding and consideration. Please let me know if any documentation or further information is required.

Yours sincerely,
Shagun Sharma
